

how to INTERVIEW WITH CHARACTER

from KANNY

Tell me about yourself

TIP: Highlight your **character** right away in your career history and achievements. Return to these traits throughout your interview.

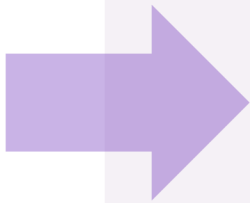

I have built my career

on a foundation of **integrity** and strong **work ethic**. My colleagues appreciate my **humility** and openness to learning, which I believe fosters a workplace where the team can thrive. For example...

Greatest strength?

TIP: Show your self-awareness, confidence, and fit for the role. Focus on a specific **character** trait. Provide concrete examples.

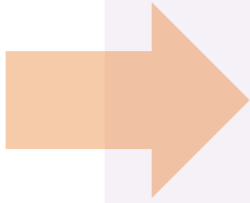

My dedication to honesty.

I communicate openly but with tact, building trust. I'm as **honest** with myself as I am with others. Being truthful earns **trust** and **respect** from others. For example...

Greatest weakness?

TIP: Show your growth potential and ability to improve, but resist dressing up a strength like a weakness. Be genuine.

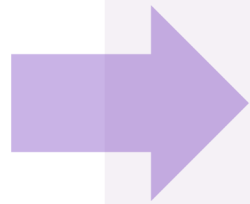

My nature has been to

avoid conflict in favor of **harmony**. Then I read the book "Crucial Conversations" and have been working on balancing team **harmony** and **honestly** hitting problems head on. For example...

Why this position?

TIP: Show sincere interest & knowledge of the role. Connect your motivations to your **character** traits.

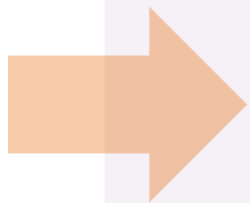

This role gives me a chance to

apply what I value most - **humility** and **integrity**. I have always believed that true leadership involves serving others and upholding the highest ethical **standards**. In my last role...

How will you impact us?

TIP: Express how your **character** strengths will result in growth and success for your team and company.

I aim to foster a culture of

achievement by modeling **honesty** and **work ethic**. I hope to inspire others to do the same. You can expect **growth** and **success** from me and my team. For example...
